Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 09 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Very cold with snow showers, but less windy on Wednesday.

This Evening and Tonight:
Snow and possible hail showers will become more confined to the east of the region overnight, with clear spells developing. It will feel bitterly cold in the brisk winds with a hard frost. Minimum temperature -4 deg C (25 deg F).

Wednesday:
Bright or sunny spells and scattered snow showers, but these tending to die away towards evening. Remaining very cold, but with winds tending to ease. Maximum temperature 2 deg C (36 deg F).

Outlook for Thursday to Saturday:
Drier and brighter during Thursday with light winds. Increasingly cloudy through Friday and Saturday with freshening southeast winds, and perhaps some coastal snow showers on Friday. Staying very cold.
